Payment Policy

We realize that losing someone you love is a devastating experience. It can be traumatic and influence the decisions that must be made. Therefore, it is important to be realistic with respect to funeral expenditures. It is our intention that your decisions reflect your personal wishes and remain within your budget. We believe that a life well-lived is worth remembering. We will assist you in creating a meaningful and personal tribute for your loved one. Thank you for allowing us the honor of serving you.

For your convenience, we accept the following methods of payment due at the time of arrangement:

- Cash
- Personal Check (subject to electronic funds verification)
- Credit Card (VISA, MasterCard, Discover or American Express)
- Insurance Assignment (subject to a third-party convenience fee of 3.98%)

All financial arrangements are made with the Purchaser, and not with the estate of your loved one.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
